

# 2024-2025 Annual Report

# St. Vincent's Presentation Sisters Garden

**O**n Saturday, June 21, members of the St. Vincent de Paul Parish School community, led by Fr. Sam Dinsdale, gathered to celebrate the blessing of our new Presentation Sisters Garden. The garden was named after the Presentation Sisters of the Blessed Virgin Mary from Ireland. Five Presentation Sisters came to St. Vincent's in 1965 at the invitation of Bishop Joseph Federal to help run and staff the school. The Sisters continued to work in and build up the St. Vincent Community until 1994 when they were moved to other ministries out of state. Despite the over 30-year gap between their departure, the Sisters are still beloved in this community.

During the garden blessing, Chef Debora Crandall read an excerpt from the book Frog and Toad Together. Toad wants to grow a garden as grand as Frog's, and Frog advises Toad to take care of the seeds and let the sun and rain help them. Eventually, Toad's seeds sprout, and he realizes a successful garden is hard, but fulfilling work.

Glenda Gurney, former 3rd grade teacher, told many stories about the Presentation Sisters. These stories showed the love between the students and teachers, and the Sisters.

The vision for the garden began many years ago, and this past spring, the school community raised the needed funds. With the creativity and guidance of Chef Debora, the dream quickly took root. Thanks to the generous donations from our supporters, what began as eight garden beds has expanded into more than 24. In the middle of the garden stands a beautiful cross, once on the roof of Holy Family Hall, now serving as a beautiful reminder of faith and gratitude. At the foot of the cross is a plaque with the names of all the Presentation Sisters who worked at St. Vincent de Paul Parish School.

Currently, the perennial beds are becoming well-established and will bring even more benefits next year. Many are designed to support pollinators, while others are filled with exciting plants like thornless blackberries, strawberries, artichokes, asparagus, grapes, and a variety of herbs. The vegetable beds are also ready for action, complete with a drip irrigation system to ensure the plants get the water they need to flourish.

The Presentation Sisters Garden is designed to grow not only vegetables and plants, but also to develop our students' knowledge and sense of community. Every student at St. Vincent's has had the opportunity to participate in the garden this past spring, whether by planting seeds, bringing in soil or mulch, weeding, or watering. This hands-on experience has already been a blessing for our students, and will continue to be for years to come.

This special space is more than just a garden to our school—it is a living classroom, and a sacred place where faith, learning, and love come together. It is truly a gift to see this garden growing—not just in plants, but in the experiences it will offer our children.

This garden stands as a living tribute to the Presentation Sisters of the Blessed Virgin Mary, whose deep love, faith, and tireless dedication helped shape the heart of St. Vincent de Paul Parish School from 1965 to 1994. With gratitude, we honor the legacy of Sr. Annunciata Keogh, Sr. Evangelist Ryan, Sr. Assumpta Buckley, Sr. Leila O'Sullivan, Sr. Mary Casey, Sr. Maria Goretti Kelly, Sr. Danita Donata, Sr. Cecilia Cannon, Sr. Mary Omieczynski, Sr. Cabrini Riordan, Sr. Vianney Buckley, Sr. Assumpta O'Rourke, Sr. Winifred Harnett, and Sr. Mary Kelly—women whose devotion continues to bloom in the lives they touched and in the peaceful beauty of this garden. 🌿

## We Love Deacon Jeff

**D**eacon Jeff is an ever-present part of the school who reads to the elementary classes monthly, and is always ready to help in any way. Deacon Jeff reads books to our students that are enjoyable and teach an important lesson. Fifth grade teacher, Mrs. Frost states, “My students enjoy having Deacon Jeff come and read a story to them. They enjoy listening and learning from him.”

Deacon Jeff also teaches the middle school religion classes monthly. He has taught lessons on Jesus, Catholic Social Justice, world religions, and other topics. 7th grade religion teacher, Gary Green says, “Deacon Jeff’s approach with the students is highly effective because he uses visual aides and is cognizant of making his presentations

funny and interesting. He is a wonderful model of humility and kindness.”

Deacon Jeff participates in Friday Masses, which the students attend. He often gives the homily, and is conscientious of speaking in terms that the children understand. Deacon Jeff trains the altar servers and helps them during Masses by making sure they are comfortable with their tasks. He gives positive comments to the altar servers and other students who help with Mass such as gift bearers and choir members.

His kind and gentle presence significantly impacts our students. Most appreciated of all Deacon Jeff’s gifts is that he is a wonderful model of Jesus’ love for our students and staff. 🙏

## Employees of the Year • Danielle Gibson & Alicia Sloan

### *Danielle Gibson • Mother Teresa Extended Day Program*

**D**anielle Gibson has been a part of St. Vincent’s since she was in high school, and has been the director of St. Teresa Extended Daycare for 11 years. Everyone who interacts with Miss Danielle knows that she is kind and fair. She has a wide range of expertise with children, being equally skilled at taking care of 4 years old as she is with caring for middle schoolers. Miss Danielle loves the children she cares for and is a wonderful example of gentleness, positivity, and kindness. Her smile and eye contact tell all around her that she is present with them and that she genuinely likes them. Miss Danielle has rolled with the punches. During COVID, she dealt with many challenges, and handled them with grace.

### *Alicia Sloan • Technology Integration Specialist*

**S**ince joining St. Vincent de Paul, Alicia Sloan has transformed our technology program into a vital part of student learning.

By introducing the ISTE curriculum, she ensures students of all ages—from kindergarteners learning to use a mouse to middle schoolers coding and programming robots—are prepared for the 21st century.

Her leadership has also modernized our infrastructure, expanding resources from a small bank of computers to fleets of Chromebooks, iPads, robotics kits, and engineering tools that support our STEM programs. Always quick to solve technical challenges with patience and empathy, Alicia combines expertise with genuine care for our community. 🙏

*We are so lucky to have both Danielle and Alicia as part of our St. Vincent’s family!*

# Cheerleading Program Brings Spirit & Leadership

**S**t. Vincent de Paul Parish School has always been known for its strong sense of faith, academics, and community. In recent years, it has also become home to a vibrant cheerleading program that has quickly grown into a cornerstone of school spirit, thanks to the vision and dedication of its founder, Coach Jill Hrechkosy.

What began as a simple idea to give students another way to express pride in their school has transformed into a fully developed program that supports athletics, builds leadership, and fosters lifelong skills. The St. Vincent Vikings Cheerleading Program now includes both Junior Varsity (1st–4th graders) and Varsity (5th–8th graders) squads. With practices twice a week, the cheerleaders not only learn chants, motions, and routines but also the values of teamwork, perseverance, and responsibility.

“Cheerleading is about so much more than just cheers on the sidelines,” said Coach Jill. “It’s about confidence, leadership, social responsibility and building a community where every child feels they belong.”

The program has already made an impact at school events, from energizing the sidelines of games to bringing excitement to community traditions like the First Day of School Cheer Line. One highlight of the year is the leadership development built into practices, where cheerleaders engage in lessons on social responsibility, public speaking, and mentorship. Older students step into captain and co-captain roles, helping

to guide younger teammates both on and off the mat.

This fall, the program welcomed a new assistant coach, Lindsay Kaufman-Foren, who works alongside Coach Jill. With parent volunteers and community support, the program continues to expand its reach, offering students new opportunities like clinics with guest choreographers and special stunt workshops.

Parents and teachers alike have praised the cheerleading program for the joy and confidence it brings to the children. “It’s wonderful to see our students not only performing but growing in their leadership and faith through this program,” shared one St. Vincent parent.

Looking ahead, the Vikings Cheerleaders will continue to take part in school rallies, parish events, and special performances, including an upcoming appearance in the school’s talent show. Last Christmas, the team raised \$1,407 for the Huntsman Cancer Institute, and in the spring, they collected nearly \$500 for the Mother’s Day Diaper Drive benefiting the Utah Diaper Bank. Sponsorship opportunities and community partnerships also help sustain the program and provide uniforms, gear, and training.

In just a short time, St. Vincent de Paul’s cheerleading program has become more than an extracurricular activity—it’s a movement of spirit, service, and school pride. Through Coach Jill’s leadership and the dedication of the athletes, the program is leaving a lasting legacy for future generations of Vikings. 🏆

## Spotlight on Erin Arico

**F**or five years, Erin Arico served as St. Vincent's School Office Manager, bringing energy, expertise, and heart to every part of the job. From managing campus improvements to solving everyday challenges, Erin approached each task with creativity and determination.

Her background as an EMT and project manager proved invaluable—whether caring for an injured student, overseeing maintenance projects, or stepping in to do the work herself. Erin never hesitated to go above and beyond, even towing equipment, digging trenches, and wading into the pond when needed. She was excellent at convincing

her husband, Joe, to bring his handyman expertise to the benefit of the school. Erin always looks for ways

to improve, and so embodied the “Growth Mindset” that we heartily espouse at St. Vincent School.

Even though she has a long list of positive attributes, the most impressive one is the care she has for everyone. After her sons, Caleb's and Rylan's graduations from St. Vincent's and Judge Memorial respectively, the Arico's moved back to the St. Louis area to be near family. Erin and the Arico's will

be greatly missed and we can't wait for them to come back and visit us soon! 🍷

## Volunteer of the Year • Nicole Maxcey

**S**t. Vincent de Paul Parish School proudly honored Nicole Maxcey as our 2025 Volunteer of the Year. Nicole's presence in our community is truly special. Through her generosity, dedication, and thoughtful spirit, she has helped make St. Vincent's a more welcoming and celebratory place. Her sharp eye for detail, calm leadership, and constant willingness to step in wherever needed are gifts we cherish.

In addition to serving as Auction Co-Chair, Nicole contributes her time and talents as a member of our School Board.

Whether she is transforming spaces for our auction, decorating for teacher appreciation, or lending support behind the scenes, Nicole approaches every task with joy, love, and grace.

What makes her stand out most is her quiet determination to uplift others—not for recognition, but simply because she cares. Nicole gives her time, energy, and heart selflessly, and in doing so, inspires everyone around her.

We are deeply grateful to Nicole and her family for being such an integral part of the St. Vincent de Paul Parish School community. 🍷

## Saint Vincent Class of 2025

*Graduates (in alphabetical order):*

*Elijah Angong, Caleb Arico, Marena Barbiero, Zoe Becker, Aidan Eason, Owen Eischeid, Daniel Fedor, Peter Fiscus, Joselyn Frankel, Henry Gates, Benjamin Gordon, Jaxon Grunerud, Leo Larson, Roman Mandala, Zoe Rich, Luka Ripko, Lola Stack*

*Gary Green, Principal; Sarah Lambert, Vice Principal; Kim Howe, 8th Grade Teacher; Kerry Hankins, Student Support Co-Director; Kara Haney, Student Support Co-Director; Fr. Sam Dinsdale*

***Congratulations!***

*Louise Cairo Best Award: Daniel Fedor and Luka Ripko*

*Presentation Sisters Award: Leo Larsen*

*Saint Sebastian Award: Elijah Angong*

***2024-2025 8th Grade Class  
Gift to St. Vincent's***

**Saint Vincent de Paul Parish School**

# Missoula Children's Theater

Our students at St. Vincent's always look forward to the week when Missoula Children's Theatre (MCT) comes to town. Over the past 46 years, MCT has introduced more than a million children to the magic of theatre, and this March our own students had the chance to bring *Snow White and the Seven Dwarfs* to life on stage.

In this fun and familiar tale, Snow White finds herself in danger after her stepmother, the Queen, learns from her Magic Mirror that the princess is fairer than she. From there, the adventure begins!

What makes MCT so special is that it gives

every child a place to shine. Some students step into the spotlight as actors, while others work behind the scenes helping with direction, sets, and stage crew.

After a week of rehearsals, lines, and costume changes, the cast and crew came together for two wonderful performances on Saturday, March 22nd. Families filled the seats, cheering on the students' hard work. Many even brought flowers for their budding actors and actresses—creating a truly heartwarming celebration of creativity, teamwork, and talent. 🌸

***"Missoula was a very fun experience!  
It taught me a lot about acting and  
what goes into a theater production.  
I really love it and look forward  
to it every year."***

— Sophia Stinson, student

# 2024-2025 School Days & Traditions

1 Girls on the Run

2 Christmas Program

3 Hands on Science Learning

4 Halloween Tricks and Treats

5 5th Grade Bible Ceremony

6 Blessing of the Animals

7 Kindergarten Advent Wreath Ceremony

8 All Star Literacy Party

9 Carmelite Monastery Clean-Up

- 1 School Families Build Nativity Sets Together
- 2 Science in Action
- 3 Science Fair
- 4 Saint Nicholas Visits
- 5 Rock Painting for "One Kind Act a Day"

- 6 Makerspace
- 7 Showing Love During the Talent Show
- 8 Saint Patrick's Day Parade
- 9 Lego League

# Alumni Spotlight • Zoe Murphy

**A**s Zoe enters her senior year at Tulane University, she reflects on the foundations of her success—and many of them lead back to St. Vincent de Paul Parish School. Zoe is currently pursuing a major in Information Technology and Computer Science, and has spent her summer interning with Barclays Bank in Cybersecurity. She has received a return offer from Barclays and is planning on working with them after graduation. This opportunity, she says, was in part made possible by the confidence she built at St. Vincent's.

Zoe attended St. Vincent's from 3rd - 8th grade. She happily remembers the tight-knit community and the powerful impression that her teachers and classmates made on her. The friendships she made at St. Vincent's are still going strong, as she regularly talks to and spends time with her former classmates.

Looking back on middle school, Zoe feels this was the time she really started honing in on science, math, and technology. Teachers like Mrs. Eischeid and Mrs. Sloan helped challenge her and helped her to develop STEM skills she's still using today.

Zoe also recalls her years at St. Vincent's as a journey in faith formation. Being in our school helped

lay the groundwork for her Catholic faith. Similar to most students her age, she recalls not necessarily being excited to go to Mass, but getting in the habit strengthened her faith and appreciation for quiet

reflection. Zoe was an altar server, and her involvement in Mass made that time feel meaningful and fun.

This early involvement stayed with her through her years at Judge Memorial Catholic High School, and now at Tulane, she is an active leader at the Tulane Catholic Center. She cites her Confirmation journey, religion classes, and regular exposure to homilies as key experiences that instilled

values she still carries today. "Facing challenges with a mindset of selflessness—putting others first—that's something I try to do, and it all started back at St. Vincent's," she says.

When asked to share a message with current St. Vincent students, Zoe said to "truly enjoy your time at Vincent's. Get to know everyone at the school because everyone is your friend and they care for you." Zoe shared that she is grateful for the community at the school because it gave her a solid foundation of values and friendships. 🙏

## Schoolwide Learning Expectations

*Students at Saint Vincent de Paul Parish School are:*

### *Active Christians who love God by:*

- Treating others and themselves as valued children of God
- Having a personal relationship with God
- Understanding and participating in the practices and traditions of the Catholic Church

### *Effective Communicators who:*

- Speak with confidence and poise
- Read and understand text skillfully
- Write with clear purpose and voice using proper conventions
- Listen and observe attentively

### *Conscientious Self-Evaluators who:*

- Practice self-awareness and self-management
- Set goals for academic and personal growth
- Use study and organizational skills effectively
- Review work for quality and correctness

# Girls Empowerment and Running League (GERL)

This year, St. Vincent's applied for and received the Utah Children's Outdoor Recreation and Education (UCORE) grant. This grant provided up to \$15,000 to use towards Girls on the Run participation fees and other fun extras. With this funding, we created the "Girls Empowerment and Running League." GERL engaged students in grades 3-7 in a powerful blend of fitness, outdoor education, and personal growth. Participants in grades 3-5 followed the Girls on the Run curriculum, while middle schoolers explored the Heart & Sole program—both provided by Girls on the Run Utah. The lessons were designed to meet girls of all abilities where they are, encouraging them to discover their strengths, build confidence, and develop lifelong skills.

Our coaches Anna Zanarini, Kelly Love, Christy Walthius, and Alicia Sloan along with our junior coach, Macey Love, guided the girls through sessions that combined physical activity with meaningful discussions about teamwork, empathy, managing emotions, and building friendships. Twice weekly, participants gained a deeper sense of belonging and connection while strengthening both body and mind. Of course, each session wasn't complete without a glass of delicious chocolate milk and a fun cheer.

Throughout the eight-week program, all 16 sessions were held outdoors, making the most of St. Vincent's beautiful campus. Activities included warm-ups, team-building games, and movement ranging from walking and skipping to running. We were also lucky enough to have outdoor educator Hilary Lambert lead a special day of learning, introducing the girls to mindfulness, breathing, reflection, and collaboration in nature.

Along with learning, service and community impact were another important part of our GERL program. With guidance from Chef Debora, the girls spent a

day in our new Presentation Sisters Garden, planting seeds, watering beds, and creating signs for the garden — an experience that connected them to both the land and each other.

The season culminated in the celebratory Girls on the Run 5K held at Sugarhouse Park, where every girl crossed the finish line with a sense of pride and accomplishment. Our team was able to sport their new GERL gear, provided by Eagle Eye Promotions and covered by grant funding.

Our final celebration took place at the St. Vincent Pavilion where we had music, a soda bar, delicious race themed cookies and other treats. There, we also held a drawing for a backpack donated by Pingora, along with a caricature artist who delighted the girls with cartoon portraits.

Through the Girls on the Run and Heart & Sole curriculum, GERL offered our students far more than a running program. It created a safe and uplifting environment where girls could express themselves openly, discover their strengths, and build the confidence to thrive. 🏃‍♀️

# Police Officer Funding • 2025-2026 Annual Appeal

**A**t St. Vincent de Paul Parish School, nothing matters more than the safety of our kids. That's why we have a police presence on campus every single school day. This important security is funded directly by our school, and we're asking for your help to keep it going strong.

For the 2025–2026 school year, our goal is to raise \$52,000 through the Annual Appeal – Police Officer Fund. Every dollar goes directly toward the salaries of the officers who watch over our children each day: Patrol Officer Barnett, Sergeant Wilberger, Detective Alexandra Clayton, Motorcade Officer Darrin Yates, Detective Michell Valencia, and Detective Victor Shaw.

These officers are more than just a presence—they know our students and families, and provide the peace of mind that allows learning and community to flourish.

We invite you to join us in supporting this important effort. Your gift, no matter the size, helps keep St. Vincent's a safe, welcoming place for our children, faculty, staff and school community. 🇺🇸

## Saint Vincent Philosophy

*The faculty and staff*

*of St. Vincent de Paul Parish School:*

- Believe that families are the primary educators of their children; we work in partnership with parents and guardians to foster their students' learning.
- Create an active faith life in each student by promoting Catholic values, teachings, practices, and prayer at school and at home.
- Teach students to be good stewards of our world in imitation of our patron, St. Vincent de Paul, by serving within faith, local, national, and international communities.
- Promote high academic achievement by challenging our students.
- Respect the diverse people and beliefs of our world.

We believe in educating the whole person.

Intellectual, social, physical, emotional, and spiritual dimensions of the student are cultivated to help students realize their full potential. Teachers must not only instruct students, but also inspire them to reflect upon the Gospel message, most importantly that God

loves us, and that we are called to love others and ourselves. Furthermore, in our commitment to provide a strong academic program, we instruct and assess based on sound principles of education. Our faculty is skilled at meeting the unique instructional needs of all students.

We value the contributions of alumnae, their families, parishioners, and others affiliated with St. Vincent de Paul Parish School. Those who are currently part of this community, or who have been a part of our past, are members always. 🇺🇸

**Saint Vincent de Paul Parish School**

# Kindness is Contagious at St. Vincent's!

This year, St. Vincent de Paul Parish School joined the One Kind Act a Day program—and what a joyful journey it has been! We kicked things off with a lively assembly and spent the rest of the year finding fun ways to sprinkle kindness all around our school.

From simple smiles and helping hands to big, thoughtful gestures, our students discovered that even the smallest acts can make the biggest difference. Because of their efforts, St. Vincent's is now officially recognized as a Certified School of Kindness—a badge we wear proudly!

Kindness truly became part of our everyday rhythm this year, and we couldn't be prouder of the way our students and faculty lifted each other up. One kind act at a time, they made St. Vincent's a warmer, brighter, and more welcoming place for everyone. 🍷

## St. Vincent's Celebrates Positive Behaviors

St. Vincent de Paul Parish School practices Positive Behavior Support Systems (PBSS) to influence desirable behaviors in students. Many behavior studies have found that positive reinforcements and recognitions are more effective at influencing behavior than those traditional punitive consequences with which Catholic schools are sometimes associated.

*St. Vincent celebrates student behavior in three ways:*

### HEARTS

Teachers recognize a student for following school-wide and classroom expectations and rules. They recognize students who practice the charism of charity, as modeled by Christ and St. Vincent de Paul. When a teacher recognizes a student for these behaviors, the teacher fills out a "St. Vincent's HEART" form. This form will be displayed in the hallway and sent home at the end of each quarter.

### Victorious Viking Award

This award recognizes positive behaviors, academics, SLE achievements, etc. They are given at the teacher's discretion, but other faculty and staff can nominate students based on positive interactions. These nominees are recognized by members of the Admin Team on a visit to the classroom. Their behavior is recognized and reinforced in front of the classroom community. They pick a prize and have a picture taken. The Admin Team will share the picture digitally to the teacher. The teacher sends the picture and a description of the behavior to the student's parents via email.

### Viking Helmet Award

The school recognizes special achievements in behavior with the highly-coveted Viking Helmet Award. This award is best owed upon individuals who demonstrate exceptional

behavior that transcends traditional expectations in the realms of kindness, helpfulness, and safety. This award celebrates those whose actions and attitudes embody persons of St. Vincent, St. Louise de Marillac, and Christ through compassion, community support, and a commitment to ensuring the well-being of others. Nominations can be submitted by anyone who has witnessed the nominee's exceptional behavior. The school Admin Team reviews all nominations and selects the most deserving individual based on the outlined criteria. Following a celebration of the weekly school Mass, the recipient is honored in the presence of peers, leaders, and community members, and receives a 3D printed Viking Helmet. 🍷

# Endowments for St. Vincent de Paul Parish School

The Catholic Foundation of Utah endowments are essential to the sustainability of Catholic schools in Utah. Through the generosity of many benefactors who have contributed to these endowments, Saint Vincent School has been able to provide tuition assistance to eligible families. Last year, we gave \$249,118

in tuition assistance and \$8,832 for our hot lunch program. Please consider creating your own family-named endowment in honor or in memory of a loved one, or by donating to one of our existing endowments listed below. More information is available at [stvincents-school.org/endowments](http://stvincents-school.org/endowments).

- St. Vincent de Paul Catholic School Endowment Fund
- Catherine Meyer Condas Scholarship Endowment Fund
- Natasha Michaelson Memorial Scholarship Endowment Fund
- Judi Stokes in Honor of Burnell & Phyllis Beebe Scholarship Endowment Fund
- Karen Sudar Giacomini Memorial Scholarship Endowment Fund
- Presentation Sisters & Monsignor Benvegna Scholarship Endowment Fund
- McCarthy Family Foundation Fund
- Cathy Hagan Reed Endowment in Memory of Alice Cecelia O'Hara Fund
- James C & Alice Harte Endowment Fund
- Mark & Tina Longe Endowment in Honor of their Children: Ryan, Sarah, and Jeremy
- Arline Otto Endowment for Saint Vincent de Paul Catholic School
- Saint Vincent de Paul Catholic School Special Endowment Fund
- Roland & Patricia Allen Family Endowment Fund

| Grant Expenses                                        | \$699,560            | \$464,710           |
| <b>Total School Disbursements</b>                     | <b>\$4,191,054</b>   | <b>\$3,714,584</b>  |
| <b>Excess (Loss) School Receipts</b>                  | <b>(\$154,755)**</b> | <b>(\$26,031)**</b> |

\*\*The loss for the 2023-2024 and 2024-2025 school year were anticipated.  
Excess funds from the ERTC Grant made up for this loss, so we are able to keep the school fully-staffed.
